TABLE OF PUBLIC STATUTES

2023

Table Showing All Public Acts in the Revised Statutes, 1989, Certain Public Acts Not Included in the Revised Statutes, 1989, All Public Acts Enacted since the Revised Statutes, 1989, and Amendments Thereto

For Acts, parts of Acts or amendments subject to proclamation, proclamation effective dates are given for proclamations made up to November 9, 2023, whether the effective date is before or after that date. For all other effective dates, refer to Act or amending Act in appropriate annual volume.

For proclamations up to June 15, 1989, see the Table of Public Statutes in the 1989 annual volume or, where necessary, earlier annual volumes. For proclamations from June 16, 1989, to October 1, 1989, see the Table of Proclamations of Public Statutes in the 1990 annual volume.

The Revised Statutes, 1989, were proclaimed February 14, 1990, to come into force February 22, 1990.

The Revised Statutes, 1989, do not generally contain amendments subject to proclamation and not proclaimed in force on or before October 1, 1989 (as explained in the Preface to the Revised Statutes). These amendments are included in this Table. Where these amendments are to provisions that are now Sections of the Revised Statutes, 1989, the amendments are referenced in this Table to those Sections (and not to Sections of the pre-revision statutes referred to in the amending statutes). Where these amendments add new Sections to statutes that are now part of the Revised Statutes, 1989, the new Section numbers in the amending statutes are used, followed in brackets by suggested Revised Statutes Section numbers to show the proper placement of the new Sections within the Revised Statutes.
