(2) Upon receipt of a request in writing for a ruling under subsection (1), the Chair shall, as soon as reasonably possible, review the matter and, after giving the member of the House of Assembly an opportunity to make a submission, provide a ruling in writing to the member as to whether the expenditure complies with or would comply with this Act, the regulations and directives of the Commission.

(3) Before making a ruling the Chair may request further information or clarification from the member of the House of Assembly as to the nature and purpose of the expenditure in question.
