 - (c) “transaction” includes an arrangement or event.

- (3)** An avoidance transaction means any transaction

(6) Where, with respect to a transaction, a notice of assessment, reassessment or additional assessment involving the application of subsection (2) with respect to the transaction has been sent to a person, any person, other than a person to whom a notice has been sent, shall be entitled, within sixty days after the day of mailing of the notice, to request in writing that the Commissioner make an assessment, a reassessment or an additional assessment, applying subsection (2) with respect to that transaction.

(8) On receipt of a request by a person pursuant to subsection (6), the Commissioner shall, within sixty days, consider the request and assess, reassess or make an additional assessment with respect to the person, except that an assessment, reassessment or an additional assessment may be made pursuant to this subsection only to the extent that it may reasonably be regarded as relating to the transaction referred to in subsection (6). 1995-96, c. 17, s. 84.
