Subject: do not allow the senseless slaughter of animals

Oct 30, 2009

Gordon Hebb
NS

Dear Hebb,

I am appalled to see that the Nova Scotia government is attempting to revise the provincial Wilderness Areas Protection Act to allow the commercial slaughter of baby seals on Hay Island.

Do not allow Grey seals to be killed on Hay Island. Do not cave in to the absurd demands of the fishing industry that has destroyed itself from lack of foresight.

Protect the seals and our oceans. I have boycotted all Canadian seafood. I will not visit the East Coast until seals are no longer clubbed to death. It hurts me to have to write these words in the year 2009. Get out of the stone age.

Sincerely,

Mr. Jamie Rivet
