Subject: Concern on Bill 84 - NSAC merger with Dalhousie University

Dear Sir/Madam,

I am a faculty member at NSAC. I am emailing this to raise my serious concern regarding Bill 84.

I am sorry that I couldn't be there today at 10 AM to raise my concerns in person because I am now outside of Canada on a project mission. However, NSGEU and some of my colleagues who will be there will come with a list of concerns that need your consideration for incorporation in the Bill when it is amended. I trust you will consider our concerns seriously and amend the Bill to make it at least comparable to previous similar Bills to protect our (employees) rights.

Sincerely,

Tessema Astatkie
