

We are writing to voice our concern regarding
the proposal by the Boundary Comm. to split the
constituency of Shelburne

We in Shelburne in the recent past have
had to give up the N.S. school for Boys and
CFS Shelburne. Both were moved elsewhere in
Nova Scotia. We have also been affected by
the down turn in the Fishing Industry.

At this time with the expansion of Boating
Ship repair and local Aquaculture there is
a ray of hope for the future

We have nothing in common with Queens
Co. For one thing Queens Co. is not in ^{favor} of
Aquaculture, and in that case, with no
representative in the House of Assembly, who is
going to represent us? We have had an MHA
since Confederation. Please right the wrong
and leave Shelburne Co. with the status
quo.

Thank you
Percy May Esq
