Dear Mark Furey

I am writing you not only because you are the chair of the Law Amendment Committee but also my MLA. I am a strong supporter of animal rights in NS and hope you will be supporting this bill. As the daughter of former breeders of Cocker spaniels I can tell you from personal experience what a cruel procedure docking tails of puppies is. I have personally held a crying 2 day old puppy after they have had this procedure done and it is heartbreaking. Animals are perfect the way they are born. Also I am all for the SPCA having more power to help animals in distress. If you are a responsible pet owner you shouldn't have anything to fear from the new bill. Please please support this bill.
