Subject: All Members: Email MLAs Now Re: Proposed Changes to Nova Scotia Animal Protection Act - Bill 27
Attachments: MLAS Letter Nova Scotia Parliament.docx

Attached is a letter supporting the Canadian Kennel Club. I am astonished reading posts, regarding the care of dogs being show. They are the most spoiled dogs and loved dogs.. All breeders I know in your area are members of clubs, and go by a breeders code of ethics..

I am astonished that is being rail roaded through..

Please reconsider and think things through for the sake of the the purebred dog.
