Bill #57
Environmental Goals and Climate Change Reduction Act

CHANGES RECOMMENDED TO THE
COMMITTEE OF THE WHOLE HOUSE ON BILLS

PAGE 2, Clause 5 - add the following subclause immediately after subclause (2):

(3) As the goal to achieve sustainable prosperity is only attainable if the Chignecto Isthmus is strengthened and protected from rising ocean levels, the Government shall provide funding necessary to maintain or strengthen infrastructure in the Chignecto Isthmus, including providing funding to improve highways, rail lines, dikes and aboiteaux.
