

DEFEATED  
Nov 3/21

**Bill #57**  
**Environmental Goals and Climate Change Reduction Act**

CHANGES RECOMMENDED TO THE  
COMMITTEE OF THE WHOLE HOUSE ON BILLS

**PAGE 2, Clause 7 - add the following paragraphs immediately after paragraph (b):**

- (c) to set the annual electricity savings target at three per cent of sales by 2030;
- (d) to mandate home energy labels at the point of sale;
- (e) to mandate greenhouse gas emissions performance standards for existing buildings by 2025;
- (f) to have 75% of industrial energy use in the Province benefiting from energy management systems by 2030;
- (g) to deliver at least \$25,000,000 in commercial building retrofit investments to the Canada Infrastructure Bank;

**Change lettering and cross-references accordingly.**
