

DEFEATED
Nov 3/21

**Bill #57
Environmental Goals and Climate Change Reduction Act**

**CHANGES RECOMMENDED TO THE
COMMITTEE OF THE WHOLE HOUSE ON BILLS**

PAGE 2, subclause 5(2) -

(a) delete paragraph (c) and substitute the following:

(c) work with representatives from labour organizations, business organizations, environmental organizations, municipalities, fisheries organizations, agriculture organizations, universities and community colleges, anti-poverty organizations, women's advocacy organizations, African Nova Scotian organizations, the Federation acadienne de la Nouvelle-Ecosse and Mi'kmaq organizations to develop a green jobs strategy that

(i) is focused on maximizing employment opportunities in permanent, full-time high-wage green jobs,

(ii) addresses systemic and historic issues of inequity, and

(iii) ensures the benefits of our green economy are shared equitably;

and

(b) add immediately after paragraph (c) the following paragraph:

(d) work across Government departments and with labour, business, post-secondary institutions and others to ensure workers in industries being phased out are fully supported to transition to green jobs;

Change lettering and cross-references accordingly.
