

DEFEATED  
Nov 3/21

**Bill #57**  
**Environmental Goals and Climate Change Reduction Act**

CHANGES RECOMMENDED TO THE  
COMMITTEE OF THE WHOLE HOUSE ON BILLS

**PAGE 4, Clause 14 -**

- (a) delete “and” at the end of paragraph (a);**
- (b) add immediately after paragraph (a) the following paragraphs:**
  - (b) to increase shellfish and seaweed aquaculture production by at least five per cent by 2026;
  - (c) to implement an immediate moratorium on new leases for open-net pen fish farms;
  - (d) to fully implement the recommendations in “A New Regulatory Framework for Low-Impact/High-Value Aquaculture in Nova Scotia” prepared by Meinhard Doelle and William Lahey, with an emphasis on the value of social licence; and

**and**

- (e) reletter paragraph “(b)” as “(e)”.**
