Bill #57
Environmental Goals and Climate Change Reduction Act

CHANGES RECOMMENDED TO THE
COMMITTEE OF THE WHOLE HOUSE ON BILLS

PAGE 5 - add the following Clause immediately after Clause 17:

- 18 The Government's goal with respect to offshore oil and gas is
- (a) to end all fossil fuel subsidies, including research and promotion, by the end of 2022; and
 - (b) to end all calls for bids for oil and gas exploration.

Change numbering and cross-references accordingly.
