> Firstly, let me say that I think that you are giving us your best and I appreciate it and I showed my appreciation to you by voting for you in the last election.  
> I want to voice my surprise, my anger and my unequivocal non support for the idea of firing or in any way, silencing the auditor general. They are providing a service to the tax payers of this province and we need them and we want them to continue to do their jobs without fear. There is absolutely no reason to question the service that they are providing unless there is something to hide and that's what it looks like!!
